# Seasons chords by Hillsong Worship

Title: Seasons

Album: The Peace Project [2017]

Artist: Hillsong Worship

[Verse 1]

Like the frost on a rose  
Winter comes for us all  
Oh how nature acquaints us  
With the nature of patience  
Like a seed in the snow  
I've been buried to grow  
For Your promise is loyal  
From seed to sequoia

[Pre- Chorus]

F  
know

[Chorus]

Though the winter is long even  
richer  
The harvest it brings  
Though my waiting prolongs even  
greater  
Your promise for me like a seed  
I believe that my season will come

[Verse 2]

Lord think of Your love  
Like the low winter sun  
As I gaze I am blinded  
In the light of Your brightness  
Like a fire to the snow  
I'm renewed in Your warmth  
Melt the ice of this wild soul  
Till the barren is beautiful

[Pre- Chorus]

[Bridge]

can see the promise  
I can see the future  
You're the God of seasons  
I'm just in the winter  
If all know of harvest  
Is that it's worth my patience  
Then if You're not done working  
God I'm not done waiting  
You can see my promise  
Even in the winter  
Cause You're the God of greatness  
Even in a manger

**G**  
 For all I know of seasons  
**F**  
 Is that You take Your time  
**C**  
 You could have saved us in a second  
**G/B Am G F**
